2014 National Title I Conference

Welcome to the 2014 National Title I Conference! The Conference theme is **Currents of Change**. Today's educational climate is in a constant state of flux, affecting every student in every classroom. Join us in San Diego as we ride the currents of change to learn about the latest innovations in the evolving world of education, designed to help students succeed at all levels.

Currents of Change

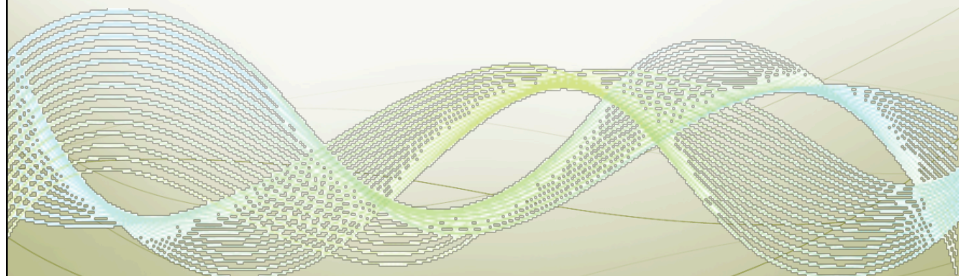

Today's Committee Discussion

Distinguished School Conference Activities

Distinguished School Conference Activities

- What are positives and negatives of past Distinguished School conference activities?

A presentation slide with a green header bar containing the text "Distinguished School Conference Activities". Below the header, a bullet point reads "➤ What kinds of recognition are important?". The slide features a background with a light green and white wavy pattern at the top and a decorative graphic of overlapping blue and green lines at the bottom.

A presentation slide with a green header bar containing the text "Distinguished School Conference Activities". Below the header, a bullet point reads "➤ What is the best format for recognizing the Distinguished Schools during the opening celebration?". The slide features a background with a light green and white wavy pattern at the top and a decorative graphic of overlapping blue and green lines at the bottom.

Next Steps

- * May 20 Meeting:
 - * Refine Keynote speaker list – discuss options
- * June 17 Meeting :
 - * Finalize Keynote speaker target list
