

PROPOSAL SUBMISSION GUIDELINES

The National ESEA Conference is an annual project of the National Association of ESEA State Program Administrators (NAESPA) and the only conference focused entirely on federal education programs for disadvantaged students. The Conference emphasizes the critical nature of doing what's right and what's needed today to help every child succeed and achieve at high levels.

The Elementary and Secondary Education Act (ESEA) was signed into law in 1965 by President Lyndon B. Johnson as a legislative priority of the "War on Poverty." ESEA has undergone several forms of reauthorization, which initiated and augmented educational programs designed to improve the quality of elementary and secondary education in the United States. Title I, Part A is the largest federally funded ESEA program designed to address the educational needs of underprivileged children. Along with Title I, Part A, the following ESEA programs serve as the cornerstone for all sessions and programming of the National ESEA Conference:

- **Title I, Part A** - Education for the Disadvantaged
- **Title I, Part C** - Education of Migratory Children
- **Title I, Part D** - Neglected & Delinquent
- **Title II, Part A** - Supporting Effective Instruction
- **Title III, Part A** - English Learners & Immigrant Education
- **Title IV, Part A** - Student Support & Academic Enrichment
- **Title IV, Part B** - 21st Century Community Learning Centers
- **Title V, Part B** - Rural Education Initiative
- **Title VI, Part A** - Indian, Native Hawaiian, and Alaska Native Education
- **Title VII, Part B** - Education for Homeless Children and Youth (McKinney-Vento Homeless Assistance Act)
- **IDEA** - Individuals with Disabilities Education Act (Special Education)

The National ESEA Conference Planning Committee invites all education experts, researchers, authors, and successful practitioners with information of interest to the ESEA audience to submit a presentation proposal. As appropriate, proposal submitters will be asked to explain the connection(s) between the content of their proposal and its applicability to one or more of the federal education programs listed above.

CONFERENCE THEME

create THE POSSIBILITIES

As educators we are blessed every day with many opportunities to create the possibilities for our students to reach their potential. Success is obtained in various ways, but we hold many pieces through the use of federal funds to create new avenues for our students to navigate. How we utilize our base component of the comprehensive needs assessment to build our school improvement plans and then our budgets can create unfathomable possibilities for our students, teachers, administrators, parents, guardians, and community. We can cultivate a creative culture for our schools to reach for the stars with the possibilities.

Join us in Portland, Oregon or online at the National ESEA (Elementary and Secondary Education Act) Conference as we:

Create the possibilities...

- ...to review current research and data to guide instruction for student's success,
- ...for students by exploring vendor resources,
- ...to develop professional learning for faculty and staff to increase effectiveness,
- ...to build strong connections with our parents and stakeholders,
- ...to provide all children, in public and nonpublic schools, significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps as defined in ESEA.

As educators, we hold the key to create the possibilities of building the capacity of education professionals to provide children served by ESEA programs with a high-quality education.

Don't

- **Don't** submit outdated content or the same proposal you submitted previously.

- **Don't** use abbreviations or acronyms, as graders may not understand your intent.
- **Don't** target the broadest audience or the most topic areas, as this will not increase your chances of acceptance.
- **Don't** wait until the last minute.
No extensions are granted, even for very good reasons.

LATE PROPOSALS ARE NOT ACCEPTED – NO EXCEPTIONS

SELECTION PROCESS

- All proposals submitted will be reviewed by a committee of federal education programs professionals from across the country in a highly competitive two-part process during July and August.
- Decisions are based on an averaged proposal score from multiple committee graders, as well as a balance of critical topic areas.
- Selection as a presenter in a prior year does not help or hinder your chances of selection.
- Proposals are graded by the Conference Planning Committee based solely on the information provided through this submission process.

Grading Criteria - Multiple committee members will grade each proposal using this scoring method:

- Proposal focuses on a key area of interest for Conference attendees, aligns with the Conference theme, Create the Possibilities, by including timely and meaningful content. (0-10 points)
- Proposal highlights current, specific successful federally funded schools or districts OR an original research project, theory, or trend in education that aligns with the scope of the Conference topics. (0-10 points)

- Bonus points are available at the discretion of the grader based on exceptional ideas, including applicability across ESEA programs and/ or to the Conference theme: Create the Possibilities, or the overall quality of the application submission. (0-5 points)

Notifications on August 28, 2023

On Monday, August 28, Show Management will send email notifications in two categories:

- To applicants and individual presenters whose sessions have been provisionally accepted, with instructions for converting the presentation from “provisional” to “accepted.”
- To applicants whose sessions have been declined.

The Committee’s selection decision is final. No contact with Committee members outside of this submission process is permitted.

Changing Your Presentation’s Status From Provisional to Accepted

Presenters with a "provisional" session will be asked to review and agree to the official Terms & Conditions. Each presenter listed on a proposal must agree to the Terms & Conditions by Friday, September 15th for the proposal to be "accepted." If the required documentation is not received by the due date, the proposal will be declined and a back-up proposal will be moved to “provisional” status.
